

NATPRE T-10 DV

SAFETY DATA SHEET

SECTION 1. IDENTIFICATION

Product identifier: NATPRE T-10 DV

Manufacturer name: PRODUCTOS SUR, S. A.

Address: C / Saavedra Fajardo, s/n, Parc. 27/7, 30169 San Ginés (Murcia), Spain.

Phone number: +34 968881991

Fax number: +34 968881969

Emergency phone number: +34 629 580 986

Recommended use: For food.

Restrictions on use: None.

SECTION 2. HAZARD IDENTIFICATION

Chemical classification:

According to the Regulation (EC) Nº 1272/2008, and based on the information we have, the product it is not a dangerous substance or preparation.

Label elements:

- Labelled: The product it is not a dangerous substance or preparation according to the Regulation (EC) Nº 1272/2008.
- Additional labelled: EUH210 Safety data sheet available on request.

SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Chemical ingredients: The blend does not contain hazardous chemical ingredients.

Trade secret claims: Not applicable.

SECTION 4. FIRST-AID MEASURES

Important symptoms and effects, acute and delayed:

- Symptoms: No information available.
- Hazards: No information available.

Required treatment: No information available.

SECTION 5. FIRE-FIGHTING MEASURES

Extinguishing media: All extinguishing agents are suitable.

Equipment: Normal equipment is suitable.

Chemical hazards from fire: None.

SECTION 6. ACCIDENTAL RELEASE MEASURES

Protective equipment and emergency procedures: Avoid inhalation and contact with skin and eyes. A mouth mask with filter is recommended in case of major spill.

Proper methods of containment and cleaning up: Collect the dust and put it in a dumpster.

SECTION 7. HANDLING AND STORAGE

Precautions for safe handling: Apply according to good manufacturing and industrial hygiene practices with proper ventilation. Do not drink or eat while handling. Respect good personal hygiene.

Precautions for safe storage: must be stored in a cool, dry, well-ventilated area at temperatures between 10 and 25°C. Store protected from moisture and water. Avoid electrostatic charge build-up. Keep tightly sealed to protect the quality of products.

Incompatibilities: Keep away from incompatible substances and heat sources.

SECTION 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

OSHA's Permissible Exposure Limits (PELs): Not applicable.

Threshold Limit Values (TLVs): Not applicable.

Appropriate engineering controls: Handle in accordance with good industrial hygiene and comply with safety practices.

Personal protective equipment (PPE): If you are going to release a large amount of dust, use protective eyewear and a mask to avoid discomfort.

SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

Chemical's characteristics:

Appearance: See page 1.

Security Data security:

pH	See page 1
Melting Temperature	Not applicable
Boiling temperature	Not applicable
Ignition Point	Not applicable
Flammability	Not applicable
Ignition Temperature	Not applicable
Ignition point	Not applicable
Explosion Limits	Not applicable

Low Energy Ignition	Not applicable
Vapor pressure	Not applicable
Density	Not applicable
Packed mass density	Not applicable
Water solubility	Soluble in H ₂ O
Distribution coefficient	Not applicable
Viscosity	Not applicable

SECTION 10. STABILITY AND REACTIVITY

Chemical stability: Stable under normal operating conditions.

Possibility of hazardous reactions: Does not undergo any dangerous reactions under normal conditions.

SECTION 11. TOXICOLOGICAL INFORMATION

Due to the safety of its components, there is no toxicity associated with the product.

NATPRE T-10 DV

SAFETY DATA SHEET

SECTION 12. ECOLOGICAL INFORMATION

Due to the safety of its components, there is no risk of toxicity to the environment.

SECTION 13. DISPOSAL CONSIDERATIONS

Waste treatment methods: This product can be disposed of as regular household garbage. Dispose in accordance with all federal, state and local environment regulations.

SECTION 14. TRANSPORT INFORMATION

This product is not a hazardous product and is not considered as dangerous goods according to IMO regulation.

SECTION 15. REGULATORY INFORMATION

Labeling: According to EEC directives.

Safety, health and environmental regulations /legislations specific for the substance or mixture: Not applicable.

Chemical safety assessment: Not available.

SECTION 16. OTHER INFORMATION

The information in this material safety data sheet is based on the properties of the material known to Productos Sur, S.A. at the time the SDS was issued. The SDS is intended to provide information for a health and safety assessment of the material and the circumstances under which it is packaged, stored or applied in the work place. This document is not intended for quality assurance purposes.
