Re: Request of Safety Data Sheet for the following product. It is Piranha Pig DEN / CTC (F100344725).

To Whom It May Concern.

We do not provide a Safety Data Sheet for this product because it is excluded from the requirements under 29 CFR 1910. 1200(b) (5) (iii). As a complete mixture, it does not meet the definition of a chemical hazard. The mixture and the concentration of ingredients in this product is not hazardous (29 CFR Part 1910/12007).

Therefore this are exempted as a "Hazardous Chemical" under OSHA's Rule, 29 CFR 1910. 1200 (c) and does not require a Safety Data Sheet.
