

Section 1. Chemical product and company identification

Common name GEDIL
Material use Short term preservation extender with antibiotic complex for fresh boar semen
Catalog codes : Refer to IMV Technologies catalogue
Manufacturer : IMV Technologies
10, Rue Clémenceau
BP N°81
61302 L'Aigle CEDEX France
TEL : +33 (0) 2 33 34 64 64 FAX : +33 (0) 2 33 34 11 98
www.imv-technologies.com
In case of emergency : CHEMTREC, U.S. Domestic: (800) 424-9300
CHEMTREC, International: 1-703-527-3887

Section 2. Composition and information on ingredients

Preparation: Preparation not classified as hazardous, containing no substances classified as hazardous with individual concentration $\geq 1\%$ (weight to weight)
Does NOT contain ingredients of BSE sensitive species

Section 3. Hazards identification

This product is not subject to reporting requirements for hazardous products; we recommend compliance with the safety recommendations.

Adverse health effects are considered unlikely when the product is used according to the label directions

Important hazards May cause irritation through skin-, eye-, mucus contact.

Health hazards Prolonged exposure may cause allergic reactions in sensitive individuals.

Section 4. First aid measures

Eye contact: Immediately flush eyes with plenty of clean running water for at least 15 minutes, holding eyelids apart to ensure flushing of the entire eye surface. Call a physician.
Skin contact Immediately flush contaminated skin with plenty of water for at least 15 minutes. Remove contaminated clothing and shoes while flushing with water. Wash clothing before reuse.
Oral ingestion If person is conscious, immediately administer large quantities of water or milk. Do not give anything by mouth to an unconscious person. Call a physician
Inhalation: If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Seek medical attention

NOTE : Above data estimated from safety data for components

Section 5. Fire fighting measures

Recommended extinguishing media: Water, CO₂, foam, dry chemical, earth or sand.

GEDIL

2001/58/CE

Edition : 28/07/2008

Unusual fire and explosion hazards: May produce hazardous fumes or hazardous decomposition products.
(Conditions to avoid)**Special fire fighting procedures:** Wear full protective equipment including self-contained breathing apparatus**Section 6. Accidental release measures**

Personal protection: Wear full protective equipment.
Spilled material Pick up and containerize for recover or disposal. Add dry material to absorb remaining liquid. Flush spill area with water to eliminate residues.

Section 7. Handling and storage

Handling Refer to section 8.. Avoid direct contact with eyes, skin and clothing.
Storage Store away from heat or direct sunlight. Store between 2°C and 25°C. Keep container tightly closed when not in use.

Section 8. Exposure controls / Personal protection

Technical measures: Local exhaust
Personal protection:
- Hands Vinyl disposable gloves.
- Eye protection Chemical goggles or protective mask
- Inhalation Dust respirator

General protection and hygiene measures : Keep away from food, drinks and animal food.
Remove contaminated clothing and shoes. Wash hands before breaks and after work.
Avoid direct contact with skin and eyes.

Section 9. Physical and chemical properties

Appearance Powder
Colour white
Odor none
pH 6.8 to 7.2
Soluble Soluble in water
Osmolarity 300-340 mOsm/kg
(pH and osmolarity after mixing with water)

Section 10. Stability and reactivity data**Stability under normal conditions** Stable

Section 11. Toxicological information

Immediate toxicity Low level of toxicity. Prolonged or repeated exposure may cause allergic reaction in sensitive individuals.

Section 12. Ecological information

Ecotoxicity No appropriate studies available

Section 13. Disposal considerations

Waste disposal Dispose of in compliance with all applicable laws.

Section 14. Transport information

Classification Not classified

Section 15. Other regulatory information

NA

Section 16. Other information

Information contained herein is believed to be true and accurate but all statements and suggestions are made without any warranty, express or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results obtained from the use thereof. As the conditions or methods of use are beyond our control, we do not assume any responsibility and expressly disclaim any liability for any use of the product.
