

Bahl Farms Inc/Consulting (Bahl Naturals)**MATERIAL SAFETY DATA SHEET****Glucos Polysaccharide, Baker's Yeast, Derived Beta Glucan****A. Product Identification**

Synonyms:	Dried Yeast Extract
Chemical Name:	Beta 1,3/1,6 glucans (polyglucans)
Chemical Family:	Carbohydrates (Polysaccharides)
Chemical Formula:	Not applicable
CAS Reg.No:	Not applicable

Product and/or components entered on EPA'S TSCA inventory: NO

This product is not listed in Toxic Substances Control Act (TSCA), inventory of commercial chemicals, but is regulated by laws and regulations other than those under TSCA, or agencies other than EPA as directed by the U.S. Congress in Section 3B of TSCA.

B. Hazardous Components

Ingredients	CAS Number	% By Wt.	OSHA PEL	ACGIH TLV
-------------	---------------	-------------	-------------	--------------

This product does not meet the definition of a hazardous material given in 29 CFR Part 1910.1200 (OSHA). Information on this form is furnished as a customer service.

C. Personal Protection Information

Ventilation:	Use adequate ventilation.
Respiratory Protection:	Not generally required but protection is recommended to maintain the microbial purity of this product.
Eye Protection:	Goggles if airborne dust concentrations are excessive.
Skin protection:	Not generally required but protection is recommended to maintain the microbial purity of this product.

D. Sub chronic and Chronic Effects of Overexposure
No know applicable information

E. Other Health Effects:
No specific information available.

F. Health Hazard Categories:

Carcinogenic effects:	None
Mutagenic effects:	None
Reproductive toxicity:	No specific information available
Primary irritation:	No specific information available
Other toxic effects:	No specific information available

First Aid and Emergency Procedures:

Eye:	Immediately flush eyes with large amounts of water. If irritation develops, seek medical attention.
Skin:	Wash with soap and water. If irritation develops, seek medical attention.
Inhalation:	Remove from exposure to well ventilated area. If Irritation develops, seek medical attention.
Ingestion:	Discontinue use of consumption. If a change in medical condition should occur seek medical assistance.

G. Physical Data

Appearance:	Tan powder
Odor:	Mild
Boiling Point:	Not Applicable
Vapor Pressure:	Not Applicable
Vapor Density(Air=1)	Not Applicable
Solubility in water:	Insoluble
Specific Gravity (H ₂ O=1)	Not Applicable
Percent Volatile by Volume:	Not Applicable
Evaporation Rate (Butyl Acetate=1)	Not Applicable
Viscosity:	Not Applicable

H. Protection Required for Work on Contaminated Equipment

Contact immediate supervisor for specific instructions before work is initiated. Wear protective equipment and/or garments described in Section C if exposure conditions warrant.

I. Hazard Classification

Based on information presently available, this product does not meet any of the hazard definitions of 29 CFR Section 19101200.

J. Additional Comments

As of the preparation date, this product did not contain a chemical or chemicals subject to the reporting requirements of Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1980 and 40 CFR Part 372.

Glucosaccharide Yeast-Derived Beta Glucan is a spray dried extract of *Saccharomyces cerevisiae*.
