

# SAFETY DATA SHEET

Prepared: 06.02.2015

Product Name: **FloraMax® B11**

Revised: 06.02.2015

## Section 1: Identification

Trade Name - FloraMax  
Manufacturer - Pacific Vet Group-USA, Inc.  
2135 Creek View Drive  
Fayetteville, AR 72704  
T 479.966.4447  
Emergency Phone – T 479.966.4447  
Recommended Use – Probiotic preparation for use in poultry  
Restrictions on Use – For use on animals only

## Section 2: Hazard Identification

Hazard Classification – None  
Signal Word – None  
Hazard Statements – None  
Precautionary Statements – None

## Section 3: Composition

Characterization – Mixture/Powder  
Hazard Components – None

## Section 4: First Aid Measures

After Inhalation – Move to well ventilated area and consult physician if problems occur  
After contact with skin – Wash skin with fresh water and consult physician if problems occur  
After contact with eyes – Flush with fresh water and consult physician if problems occur  
After ingestion – Rinse mouth and consult physician if problems occur

## Section 5: Fire Fighting Measures

Extinguishing media – Standard fire control measures  
Special procedures – None  
Unusual Hazards – None

## Section 6: Accidental Release Measures

Personal Precautions – None  
Emergency Procedures – None  
Environmental Precautions – None  
Cleanup Procedures – Sweep/Mop and dispose in sanitary sewer

## Section 7: Handling and Storage

Precautions for safe handling – None  
Conditions for storage – Store under refrigeration (4°C/34°F)

## Section 8: Exposure Controls

Personal precautions –  
Respiratory protection – Maintain adequate ventilation  
Skin protection – General protection  
Eye protection – Safety glasses, face shield, etc. if needed

# SAFETY DATA SHEET

Prepared: 06.02.2015

Product Name: **FloraMax® B11**

Revised: 06.02.2015

Emergency procedures – None  
Containment – None

## Section 9: Physical and Chemical Properties

Appearance – Solid/Powder – off white  
Flammability – N/A  
Odor – Fermentation smell  
Vapor Pressure – N/D  
PH – 5 -7  
Relative Density – 0.5 - 1  
Solubility – 100%

## Section 10: Stability and Reactivity

Reactivity – None  
Stability – None  
Hazardous reactions – None  
Incompatible materials – None

## Section 11: Toxicological Information

Toxicological Information – N/A

## Section 12: Ecological Information

Toxicity – N/A  
Persistence – N/A  
Bioaccumulation – None

## Section 13: Disposal Considerations

Dispose waste according to federal, state, and local regulations.

## Section 14: Transport Information

Contains no hazardous or dangerous material

## Section 15: Regulatory Information

N/A

## Section 16: Other Information

N/A
